PLEASE READ BEFORE YOU CONTINUE FURTHER
CARE AND MAINTENANCE

- After unpacking this product please keep the original packaging in case it needs to be returned for any reason.
- Please ensure all fittings and parts are present before commencing with assembly.
- We recommend that you lay a blanket or sheet on the floor to avoid damage to both your floor and the product.
- We strongly recommend that you keep children away from your work area.
- Assemble this product as close to its final position as possible.
- Never drag or push products as this could cause damage to the joints making it inferior.
- Do not drag or push items across your furniture as this may cause the surface to scratch.
- Do not place this product next to a radiator or in direct sunlight.
- Wood is a natural product and may expand if subjected to damp and may shrink or crack if subjected to heat.Therefore it is recommended that room temperature is maintained, with no sudden temperaturefluctuations.
- Make sure any spillage is wiped off immediately.
- Do not place hot or chilled items directly on to the surface, use a place mat or marking will occur.
- For general cleaning use a soft cotton or microfibre cloth, and do not use detergents of any kind.
- Do not place on a wet or damp floor as staining may occur to your floor.
- From time to time it may be necessary to tighten fittings, regular inspections should be carried out.
* Use of power tools to assemble this product will invalidate any claim and damage this product making it unsafe !!!
* Please assemble on a clean soft surface to avoid damage.
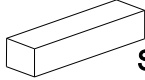

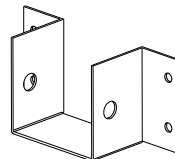

* Please check contents and read the instructions before commencing assembly.
* Assemble this product following the enclosed instructions carefully.
* Please take care to avoid damaging panels during assembly.

Please Note:
The below highlighted parts have been number/colour coded to help identify them during assembly.

PARTS LIST

Part Number	Part Code	Part Description	Quantity	Carton
00	S200-203-002-PJ1-00	Hardware Kit	1	1/2
01	S200-203-002-PJ1-01	Upper Crossbeam	1	1/2
02	S200-203-002-PJ1-02	Large Panel	1	1/2
03	S200-203-002-PJ1-03	Lower Crossbeam	1	1/2
